Demo finding illustrating CERT\_EXPIRED.

Recommendation: Review and remediate per organizational policy.

### [HIGH] Starttls Rejected

Demo finding illustrating STARTTLS\_REJECTED.

Recommendation: Review and remediate per organizational policy.

## Limitations:

- This tool performs passive metadata/certificate analysis only; it never decrypts email payloads.
- Revocation status (OCSP/CRL) is NOT DETERMINED FROM PCAP unless external validation was explicitly enabled.
- Findings marked NOT\_OBSERVED reflect absence of evidence in the capture, not absence of the underlying condi
